## Chances And Services for Youth Volunteer & Internship Application

Thank you for considering CASY as a place to donate your time and talents. Volunteers and internship students are vital to CASY. Without them, we would not be able to meet the needs of the children and families we serve in the Wabash Valley community.

At CASY, we know that your time and talents are precious, and we want every minute you spend with us to be worthwhile. That is why we are asking you to take a few minutes to fill out this application. It will help us begin to make the right match between your skills and interests and the opportunities available.

Thank you for your cooperation and your interest. If you have any questions about our application process, please contact Lindsey English, CASY Volunteer Liaison at [lenglish@casyonline.org](mailto:lenglish@casyonline.org).

I certify that all statements made by me on this application are true to the best of my knowledge, and that I have withheld nothing that would affect this application unfavorably. I understand and agree that any misrepresentations or omission of facts would exclude my consideration for service, or cause termination of service.

I understand that CASY will take seriously any allegations or suspicions of child abuse and will report such allegations to the police and state agencies for investigation.

I have been advised that, as part of the application process for service with CASY, inquiries will be made concerning my employment, activities, character, and health, and I fully consent to authorizing such inquiries. I will comply with all policies set forth in the CASY handbook and with other established policies. I hereby waive any right to claim that any request or investigation is an invasion of my privacy, since it is made with my consent and it is in my interest that I be considered for service. I understand that my involvement with CASY is contingent upon a criminal history background check.

I understand and agree that if my service is accepted, there is no contract period and my service would be "at will", giving either me or CASY the right to terminate my service at any time without liability or obligation.

I hereby acknowledge that I have read and agree to the above statement.
