

# Supporting **YOUR** Employees

## Child Care Resource and Referral Network: Services for Employers

Throughout Indiana, job seekers often factor in family-friendly benefits and practices when choosing a job. To become more attractive to potential hires and retain current talent, employers can implement family-friendly policies that support their employees.

**Not sure where to start? The Child Care Resource and Referral Network can help you:**

- Support employees' needs for child care and other social supports:
  - Free search support for licensed and regulated child care programs.
  - Exploration and connection with social, economic, educational, career training and health resources.
  - Research and sharing of early care and education topics.
- Understand employees' needs through targeted survey questions.
- Explore options for child care benefits that fit your organization and your employees.
- Learn about examples of how other organizations have approached similar options.
- Make connections to experts in the early care and learning industry.
